# office-based physician visits	x								
# office-based nonphysician visits	x								

<sup>2</sup> Starting with the 2001 MEPS, questions on out-of-pocket premiums were asked of all policyholders with private insurance coverage, for all establishments. In prior years, questions on out-of-pocket premiums were asked of policyholders only when the establishment was not a current employer or union, a self-employed job with firm size 1, or COBRA coverage.
